## Maid Cafe Full Crack

Download -->-->--> <http://bit.ly/2NGB7ve>

### **About This Game**

For years you have been moving around from job to job, when an old friend asks you to manage his cafe, you jump at the chance to return home. Only to find that the old cafe is now a Maid Cafe and apparently filled with women from your past, making this one awkward new job.

#### Features

- Meet women from your past
- Make decisions to make the cafe a success
- A branching story-line with multiple endings
- your decisions effect the outcome of the game
- A variety of romantic options to explore
- Secret endings to unlock and enjoy
